

PHOTON MICRO LIGHT®

How to Replace Batteries of the Photon Micro- Light®

Photon Micro-Light Battery Change

- 1) Carefully remove the cap using a small pointed tool
- 2) Install the batteries positive side-up
- 3) Replace the cap and snap shut

For White LED Micro-Light Replace with:

- 1) 2 x CR2016 Lithium batteries

Tip:

If water gets into the case simply open the case and allow to dry.
